The Choice is Yours

We will provide you with information to help you make informed choices, such as physicians' and health care professionals' credentials. This information, however, is not an endorsement of a particular physician or health care professional's suitability for your needs.

The providers available through this application may not necessarily reflect the full extent of UnitedHealthcare's network of contracted providers. There may be providers or certain specialties that are not included in this application that are part of our network. If you don't find the provider you are searching for, you may contact the provider directly to verify participation status with UnitedHealthcare's network, or contact Customer Care at the toll-free number shown on your UnitedHealthcare ID card. We also recommend that, prior to seeing any physician, including any

specialists, you call the physician's office to verify their participation status and availability.

Provider information contained in this Directory is updated on a weekly basis and may have changed. Therefore, please check with your provider before scheduling your appointment or receiving services to confirm whether they are participating.
