

# Industry-Student Center Residence Hall

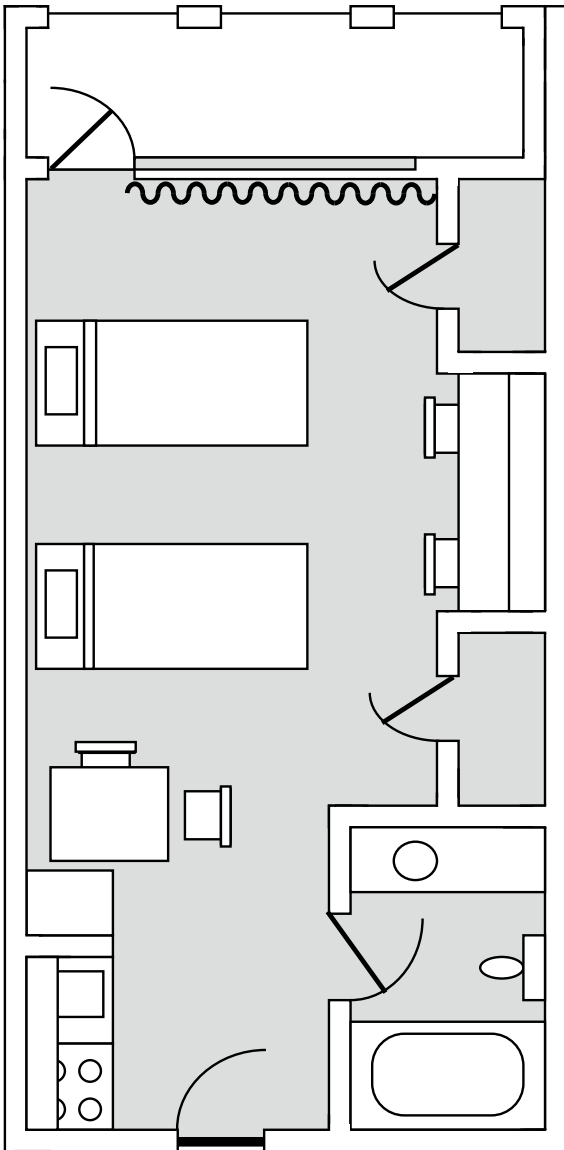

The student residence wing of the Industry-Student Center provides students with a quiet, comfortable, pleasant place to live and study. This modern two-story structure is located on the water's edge of the beautiful shore of Woods Reservoir.

Rooms may be arranged for double or single occupancy. All rooms are non-smoking and feature:

- Private bath
- Two closets
- Private balcony or patio overlooking lake
- Kitchenette, which includes range, refrigerator/freezer, sink, cabinets & dinette
- Computer access to the UTSI Network
- Study area, which includes desk, chair & bookcases
- Hollywood beds
- Free satellite TV programming
- Draperies
- Air conditioning
- Free local phone access.

Occupants need to provide cooking utensils, linens, blankets, pillows, towels and personal articles. Automatic washers, dryers and ice maker are located in this building for convenience.

Other advantages in the student residence center include: large screen TV viewing area; music room; recreation rooms and mail delivery and pick-up.
