

Minutes of Faculty Assembly Meeting

April 12, 2006

The faculty meeting was called to order at 10:10 A.M.

Minutes of the Assembly meetings of 11/16/05, 1/18/06, and 3/01/06 approved.

Dr. J. Caruthers Retirement options discussed with faculty. Concern was expressed that retirements may leave us short of professors for planned curricula. Attempts will be made to change the faculty handbook to 3 year Research Professor positions. John will recommend to Dr. Don Daniel that we keep the Doctoral Program in physics.

Dr. J. Muehlhauser We are above average for last 3 years in terms of possible contracts and awards. President Petersen will be visiting on June 13.

Dr. K.C. Reddy Bench marks at the College of Engineering distributed by Prof. Weh Kuo on Monday (4/10) were discussed.

It was mentioned that UTSI budget is in the black.

Elections will be held by e-mail later.
