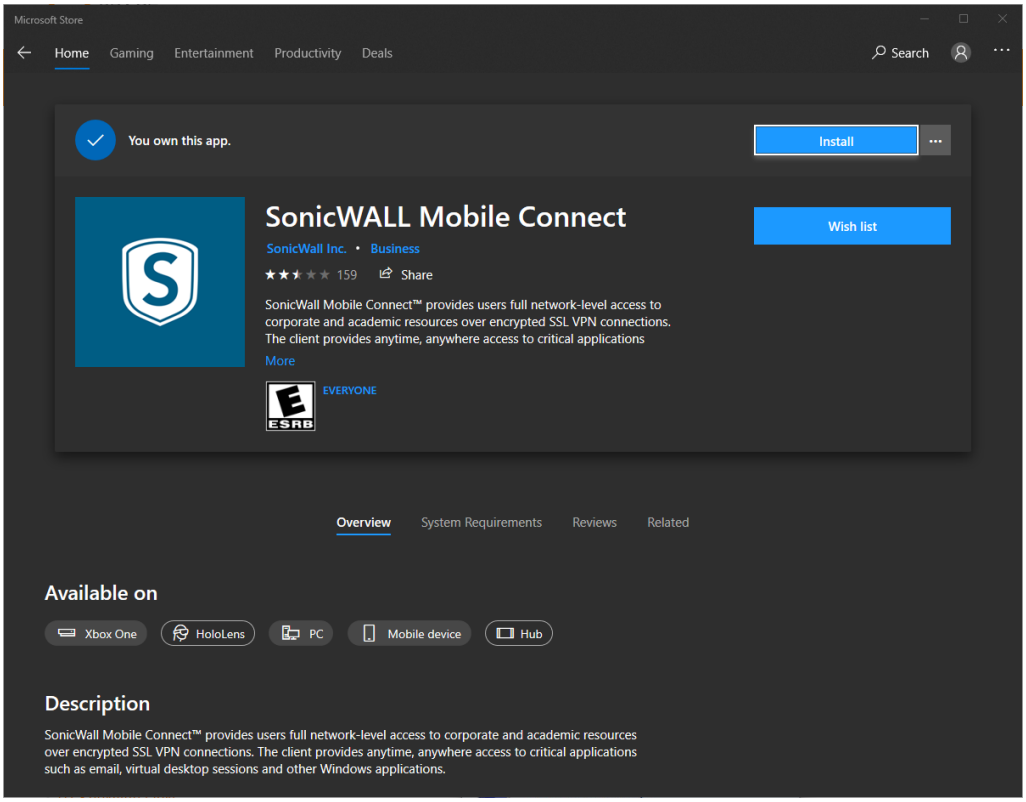
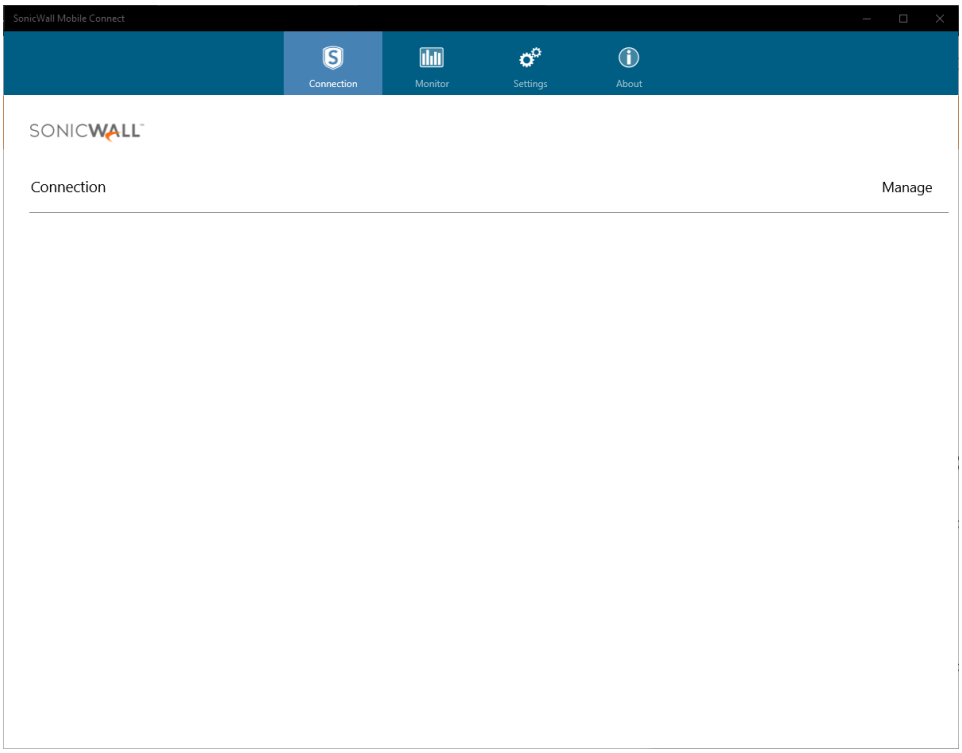
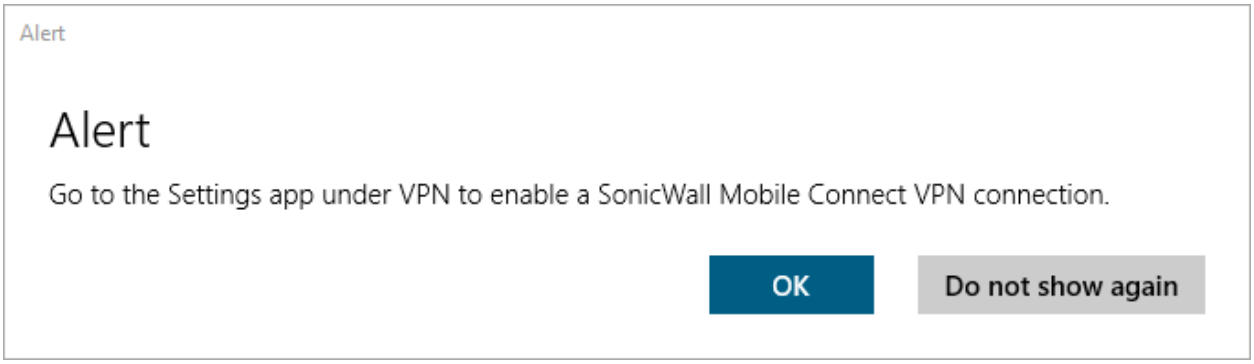
Open Windows Store, search for SonicWALL, and install the SonicWALL Mobile Connect app



Once installed, click on the Start button and select SonicWALL Mobile Connect.

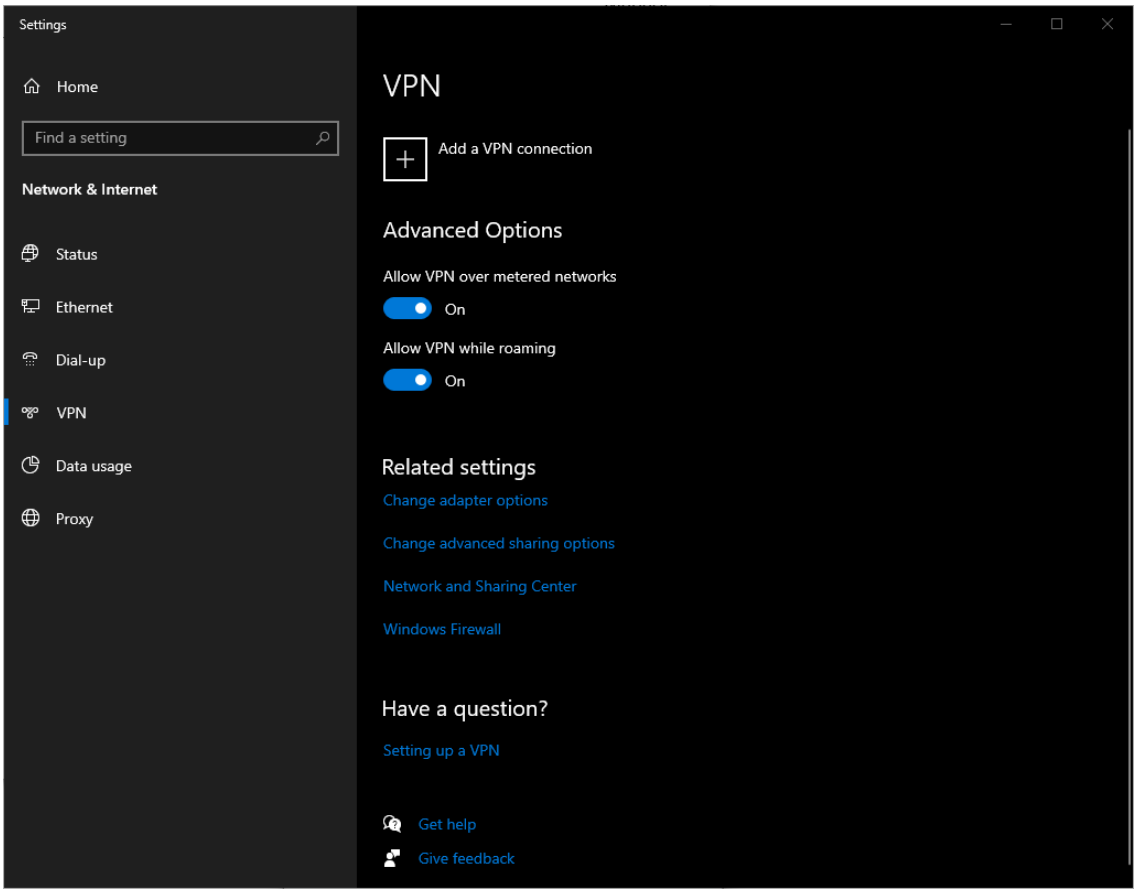


Click Manage and you'll be presented with this message.

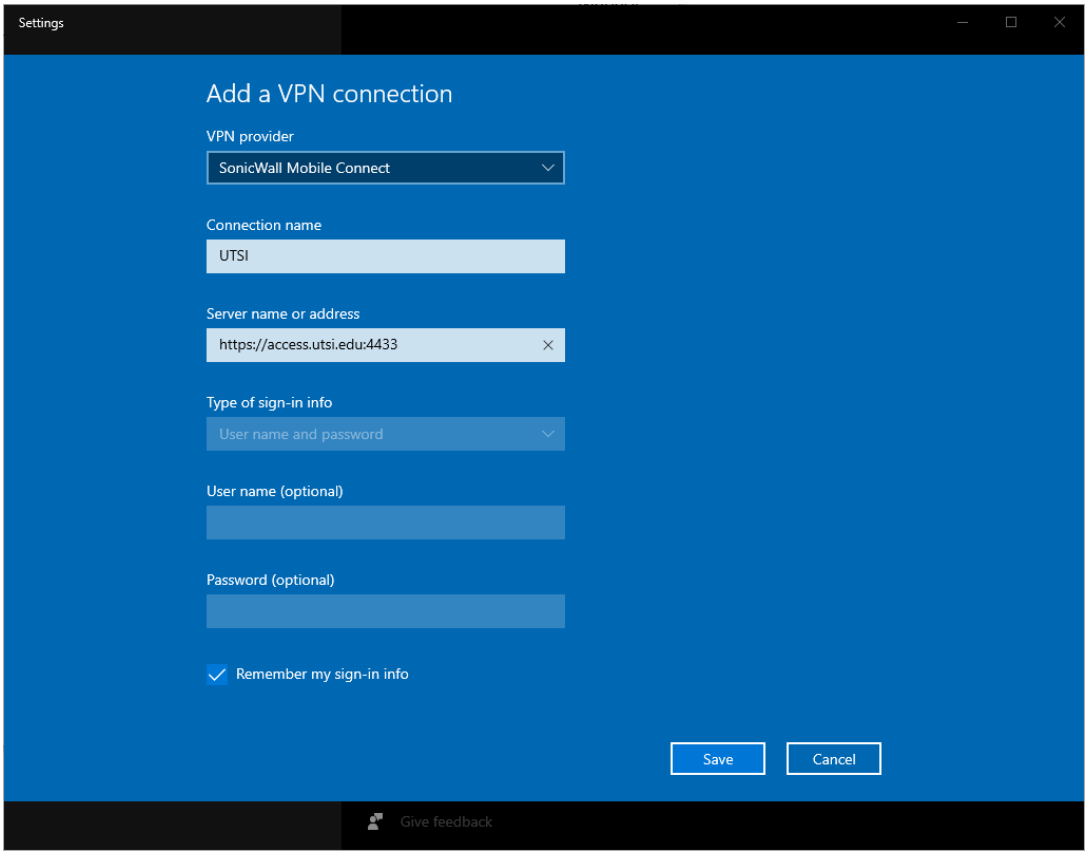


Click OK

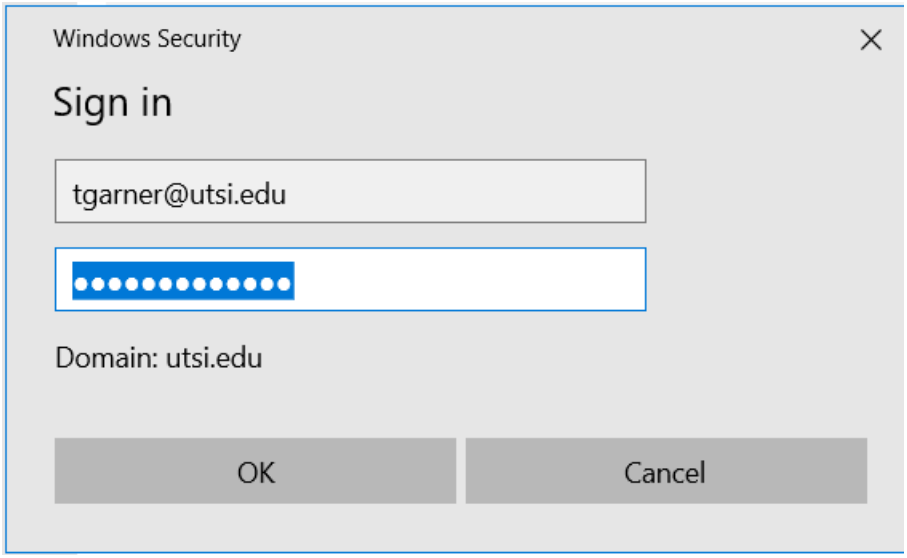
On the following screen, select Add a VPN connection



Set the options to match the picture below



This will add a VPN connection named UTSI, click that then click Connect and you'll be prompted for credentials.



Enter your UTSI email and password and click OK.

You're now signed into the VPN and are able to access on-campus resources.
